BUSINESS WATER PROJECT WATER ASSESSMENT WAIVER

The customer at the below address is interested in reducing water use on his/her property and requests the assistance of the City of _____ in doing so. It is the customer's option to implement all or part of the recommendations. Any activities beyond the indoor/outdoor water use survey that are conducted by the customer will be at the sole discretion, risk, and cost of the customer.

This agreement gives the City of _____ trained water surveyor's permission to enter and to be on the customer's property for the purpose of conducting an indoor and/or outdoor water survey. I hereby authorize the Sonoma County Water Agency/City of _____ to release the water meter billing records for my business to the Business Water Project. These records will be used in preparation for outdoor water usage assessments, and will be shared only with the authorized contractors working on the Business Water Project.

The customer also agrees on behalf of him- or herself, and any other owners or occupants of the property, and the heirs, executors, legal representatives, and assigns of all such persons, to defend, indemnify, protect, and hold harmless the City of _____ its agents, officers, and employees, from and against any and all costs or expenses, including attorney's fees, and all claims asserted or liability established for costs or expenses, including attorney's fees, and/or for damages or injuries to any persons or property, which costs, expenses, damages or injuries arise from or are connected with or are caused by the acts or omissions of the customer or any other person on or about customer's property, or from conditions on the customer's property; provided, however, that customer's duty to indemnify and hold harmless shall not include any claims or liability arising from the established sole negligence or willful misconduct of the City of _____ its agents, officers or employees, in performing the above-described work or services or supplying materials or equipment to the customer.
