

August 5, 2009

This notice is to state that the farm family residence that we are building at 26607 River Rd, Cloverdale will be occupied by members of our family. Our adult children will be helping us to take care of the agricultural crops on the property and will also be helping with recordkeeping for this agricultural component of the property. They will stay on the property in the farm family residence while in the process of completing these tasks.
