9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

The Sonoma County Housing Authority (SCHA) met its goals as outlined in the 5-Year Plan for 2000-2004. The goals were as follows.

1. Expand the supply of assisted housing.
This was accomplished by applying for additional vouchers and leveraging other funds to create additional housing opportunities. In order to increase the availability of affordable housing, we applied for new Section 8 Vouchers from HUD. In April 2002, we were awarded 250 new Vouchers. In August 2002 we were awarded 118 new Vouchers. These new vouchers enabled us to add 368 households to the Section 8 Voucher Program in 2002. This made it possible for us to assist many of the people who signed up on our Section 8 waiting list when it was opened in January, February and March 2002. The households we assisted with these vouchers were all very low-income families, seniors and persons with disabilities. We also converted the Country Club Village senior complex in Rohnert Park from Section 8 project-based units to tenant-based Vouchers. These 63 one-bedroom units were Sonoma County's first Section 8 "Opt Out." Each year the SCHA applied for and was awarded additional grants from HUD for the Shelter Plus Care Program. These grants assist homeless families and individuals with HIV/AIDS, physical disabilities and severe mental disabilities. The SCHA has continued its successful partnerships with supportive

service agencies. These partnerships assist some of the hardest to serve, including persons with disabilities, homeless families, Family Unification participants, seniors and victims of domestic violence. The SCHA continues to assist 34 very low-income mobilehome owners with space rent through the Mobilehome Space Rent Assistance Program. We are currently assisting over 2,850 households through our various rental assistance programs.

2. Improve the quality of assisted housing.

This was accomplished by improving voucher management. The Section 8 Management Assessment Program (SEMAP) is an assessment process that enables HUD to more effectively manage the Section 8 program by identifying housing authority capabilities and deficiencies related to the administration of the program. Grading is based on 15 different indicators. The SCHA has received a score of 100% and has been rated as a High Performing Housing Authority by HUD for the past four years.

3. Increase assisted housing choices.

This was accomplished by providing voucher mobility counseling to all Section 8 participants and by conducting outreach efforts to potential voucher property owners. The SCHA actively outreached to the property owners of Sonoma County and the Leased Housing Manager is serving a fifth year as a member of the Board of Directors of the North Coast Rental Housing Association, the largest local association of owners and managers. This has enabled voucher holders to locate rental units in all areas of Sonoma County.

4. Provide an improved living environment.

This was accomplished by the funding our Community Development division provided to community-based agencies and non-profits through CDBG, HOME and FESG.

5. Promote self sufficiency.

This was accomplished by expanding the Family Self-Sufficiency (FSS) Program. The SCHA applied for and received funding from HUD for a coordinator for the FSS Program and continues to apply for funds for the HERO program, which provides supportive services for FSS families in the areas of education, transportation, counseling and job retention. Since the FSS program began in 1993, 12 families have become homeowners, 105 families have completed the program by meeting their employment goals and 342 families have received assistance through the program. The Sonoma Works Housing Assistance Program was a collaboration with the Sonoma County Department of Human Services. Together we implemented a welfare to work program that served approximately 400 families and provided them with a stable housing situation so that they could successfully move from welfare to employment. The funding for this program ended in June 2003.

6. Ensure equal opportunity in housing.

This was accomplished by working closely with the Fair Housing Agency of Sonoma County to affirmatively further fair housing. Fair Housing training is given to staff and information is provided to participant families.

7. Consolidate Certificate and Voucher programs.

This was accomplished by merging the Certificate and Voucher Programs into one program. This was completed on schedule and all SCHA participants received Housing Choice Vouchers.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan:

A substantial deviation from the 5-year plan is defined as a discretionary change in the plans of the PHA that fundamentally changes the mission, goals or objectives of the agency.

An exception to this definition will be made only for changes that are adopted to reflect HUD regulatory requirements and such changes shall not be considered substantial deviations.

b. Significant Amendment or Modification to the Annual Plan

A significant amendment (or modification) to the Annual Plan is defined as a discretionary change in the plans or policies of the PHA that fundamentally change the plans of the agency and which require formal approval of the Board. An exception to this definition will be made only for changes that are adopted to reflect HUD regulatory requirements and such changes shall not be considered significant amendments.

One of the seven specific objectives under this goal is to provide tenant-based rental subsidies to make market rate housing units affordable. Each year, 45% of the County's HOME funds are allocated to the Sonoma County Housing Authority's Tenant-Based Rental Assistance Program.

The Sonoma County Consolidated Plan 2000 also includes a goal to create facilities and services that meet the needs of the County's low-income residents. One of the five specific objectives under this goal is to facilitate economic integration and self-sufficiency for lower income persons. Under this objective, the County has allocated at least \$44,525 in CDBG funds each year to the Family Self-Sufficiency Project H.E.R.O. program.
