Where will utensils be cleaned and sanitized? _____

Food thermometer (stem-type 0–220° F) must be available for use. Obtainable at hardware store or restaurant supply.

Handwashing facilities: plumbed sink or gravity flow container. As a minimum, you need 5 gallons in a container with a spigot to leave hands free for washing, a bucket for wastewater, pump soap dispenser, and paper towels in a dispenser.

Utensil washing facilities: plumbed sink or washing and sanitizing buckets. At a minimum, you should have three 5-gallon buckets: one with soap and water, one with water only, and one with bleach and water (1 Tbs./gal.). Additional facilities may be required where there is extensive food preparation, or where water, power and sewer connections are available, or if the event is more than three (3) days.

No home food preparation or storage is allowed!

I(We) agree to operate in compliance with all applicable statutes, orders, quarantines, rules or regulations prescribed by state law, a state officer or department, or the Public Health Officer for Sonoma County.
