

ANNUAL SERVICE AWARD PROGRAM

The County of Sonoma annually sponsors the Service Awards Program. The purpose of the Service Awards Program is to recognize and reward employees for their length of service to the County. The program consists of two parts. Awards are presented to employees who reach five-year increments in their employment with the County and they may choose from gifts of increasing value depending on length of service.

Honorees at the 20-year or above increments are invited to the Service Awards Dinner held annually in January. Each honoree at the dinner is individually recognized by members of the Board of Supervisors.
