

**NOTICE OF PUBLIC HEARING
SONOMA LOCAL AGENCY FORMATION COMMISSION**

NOTICE IS HEREBY GIVEN by the Sonoma Local Agency Formation Commission that:

The Sonoma Local Agency Formation Commission has received an application for the following proposal:

File No. 04-10: Annexation to the Marin/Sonoma Mosquito and Vector Control District of All Territory in Marin and Sonoma Counties Outside Present District Boundaries and Amendment No. 1 to Marin/Sonoma Mosquito and Vector Control District Sphere of Influence.

A mitigated negative declaration has been adopted for the proposal by the Marin/Sonoma Mosquito and Vector Control District pursuant to the California Environmental Quality Act.

The Sonoma Local Agency Formation Commission will hold a public hearing at or after 2:00 p.m. on September 1, 2004, in the Sonoma County Administration Building, 575 Administration Drive, Room 102A, Santa Rosa, California, on the mitigated negative declaration and the proposal. At the hearing, the Sonoma Local Agency Formation Commission will hear and receive any relevant oral and written testimony and evidence presented or filed concerning the mitigated negative declaration and the proposal, and will consider the environmental effects of the proposal as shown in the mitigated negative declaration, the report of the Executive Officer, the plan for providing services, and the municipal service review for the proposal.

The Sonoma Local Agency Formation Commission has jurisdiction over the proposal due to the fact that Sonoma County has the greater portion of the assessed value of taxable property within the Marin/Sonoma Mosquito and Vector Control District, a bi-county district located in Marin and Sonoma Counties.

Copies of all documents relating to the mitigated negative declaration and the proposal are on file and may be reviewed at the Sonoma Local Agency Formation Commission office. If you cannot attend the public hearing described in this notice, you may submit written comments on the mitigated negative declaration and the proposal prior to the hearing. Please direct comments, questions, and requests to review documents to the Sonoma Local Agency Formation Commission, 575 Administration Drive, Room 104A, Santa Rosa, California, 95403.

If you challenge the actions of the Sonoma Local Agency Formation Commission on the mitigated negative declaration and the proposal in court, you may be limited to raising only those issues raised at the public hearing described in this notice, or in written correspondence delivered to the Sonoma Local Agency Formation Commission at, or prior to, the hearing.

ALL INTERESTED PERSONS ARE HEREBY INVITED TO BE PRESENT AND HEARD ON THE MATTERS DESCRIBED IN THIS NOTICE.
