SONOMA LOCAL AGENCY FORMATION COMMISSION**

NOTICE IS HEREBY GIVEN by the Sonoma Local Agency Formation Commission that:

The Sonoma Local Agency Formation Commission has received an application for the following proposal:

File No. 04-12: Annexation to the Coast Life Support District of All Territory Within the Fort Ross School District and Amendment No. 1 to the Coast Life Support District Sphere of Influence

A negative declaration has been prepared for the proposal pursuant to the California Environmental Quality Act. The public review period for the negative declaration starts on September 1, 2004, and ends on September 21, 2004.

The Sonoma Local Agency Formation Commission will hold a public hearing at or after 2:00 p.m. on September 22, 2004, in the hearing room at the Sonoma County Permit and Resource Management Building, 2550 Ventura Avenue, Santa Rosa, California, to consider adoption of the negative declaration and approval of the proposal. At the hearing, the Sonoma Local Agency Formation Commission will hear and receive any relevant oral and written testimony and evidence presented or filed concerning the negative declaration and the proposal, and will consider the negative declaration, the report of the Executive Officer, the plan for providing services, and the municipal service review for the proposal.

The Sonoma Local Agency Formation Commission has jurisdiction over the proposal due to the fact that Sonoma County has the greater portion of the assessed value of taxable property within the Coast Life Support District, a bi-county district located in Mendocino and Sonoma Counties.

Copies of the negative declaration and all documents relating to the negative declaration and the proposal are on file and may be reviewed at the Sonoma Local Agency Formation Commission office. If you cannot attend the public hearing described in this notice, you may submit written comments on the negative declaration and the proposal prior to the hearing. Please direct comments, questions, and requests to review documents to the Sonoma Local Agency Formation Commission, 575 Administration Drive, Room 104A, Santa Rosa, California, 95403.

If you challenge the actions of the Sonoma Local Agency Formation Commission

on the negative declaration and the proposal in court, you may be limited to raising only those issues raised at the public hearing described in this notice, or in written correspondence delivered to the Sonoma Local Agency Formation Commission at, or prior to, the hearing.

ALL INTERESTED PERSONS ARE HEREBY INVITED TO BE PRESENT AND HEARD ON THE MATTERS DESCRIBED IN THIS NOTICE.
