Numbers indicate Supervisorial District. Letters "a" and "b" distinguish between commissioners of each Supervisor. Top BZA name rotates left to PC. Bottom PC name rotates right to BZA as per Board of Supervisors Resolution No. 27767 dated November 10, 1969 and as amended March, 1977.

Chair rotates July 1, 2010. Will stay with District 1 in current rotation because other three districts all have commissioners with less than one year service, and District 2 served as Chair the previous year.
